

## Restaurant Mosaic

### The pleasure of Restaurant Mosaic

lies in the detail. From the individually hand-painted Moroccan under-plates at your table (each one peculiar to the artist's cultural heritage), to the plush upholstery and the thematic private dining rooms decorated according to the artists they were named after, every single detail has been painstakingly crafted to create an unforgettable dining experience.

The restaurant's kitchen is no different. An all-girls brigade, together with chef Chantel Dartnall, works according to three unbreakable principles: passion, simplicity and consistency. It's no wonder this is the birthplace of some of South Africa's finest gastronomy.

Situated in the Orient Boutique Hotel just outside the city of Pretoria, Restaurant Mosaic gathers the finest in world art to surround guests as they dine on what the chef describes as "Modern European cuisine intertwined with the principals of the occident." Restaurant Mosaic artfully weaves a tapestry of culinary and décor influences together to create an unmatched dining masterpiece.
