Chefs who share – the ART of giving

THIS BLACK-TIE CHARITY GALA
raised more than R2 million for youth
development in South Africa.

Mercedes-Benz was the presenting partner for this glittering event founded by Barbara Lenhard and Florian Gast of Opulent Living. Held at the City Hall in Cape Town, it saw 14 of the country's top chefs and seven sommeliers working in seven teams to create a feast for 252 guests.

South African art pieces were up for auction while the first-ever 'Chefs who share - Young Chef Award' winner was also announced. Jamie-Lee Saunders of the Red Indigo Restaurant in Hermanus earned top honours.

All money raised at 'Chefs who share - the ART of giving' goes to the Make A Difference Leadership Foundation and the Laureus Sport for Good Foundation.
