Lanzerac and Restaurant Mosaic Wine & Dine Collaboration at The Orient

Fri, 29 April 2016

Lanzerac is famously known for putting Pinotage on the map with the first wine released in 1961!

This visionary release marked the birth of Pinotage as a unique variety from South Africa - a cross between Pinot Noir and Hermitage. Wine aficionados across the world have come to love this proudly South African **varietal**, which has grown from strength to strength over the years.

Join Lanzerac Cellar Master, Wynand Lategan at Mosaic Restaurant at The Orient for a once in a lifetime tasting experience as he takes you through a vertical tasting of this award-winning varietal. Look forward to sampling Pinotages from the current vintage to one dating back to 1964!

This type of tasting has been known to work up quite an appetite even amongst the most seasoned tasters, and Executive Chef Chantel Dartnall (Eat Out S. Pellegrino Chef of the Year 2014 winner) will be creating a feast of culinary proportions. Treat your taste buds to a beautifully prepared six-course menu, showcasing dishes from Chantel's new Roots & Shoots menu. The meal will be paired with wines from Lanzerac's current portfolio.

Tickets cost R2 800 per person and include the dinner and all wines tasted and served with the meal. Seating is limited so pre-booking is advised to avoid disappointment.
