

A TRAVELER'S FAVORITE, THE ORIENT HOTEL

45 Minutes from the city

Located inside the majestic Francolin Conservation Area, you might not believe that you are in the core of Pretoria. This location provides all the comforts of a 5-star hotel and so much more. The boutique hotel is encapsulated amongst trees, spring blossoms and evergreen shrubs, and all nine exclusive suites blend beautifully with their contemporary, colonial and Moorish décor and design. It's like stepping into a time machine, only with all the extra-added amenities.

One word best describes the scene and that is romantic. Its romance lies in the sequestered location and connection with nature. Emulating the all-encompassing feeling, it celebrates love, connection, relaxation and the finer things in life.

Try this: Visit the restaurant and book a Cosmorganic menu adventure. Then await the magic carpet ride that Chef Chantel Dartnall so effortlessly navigates. Order the Grande Degustation with wine pairing and prepared to be swept off your feet. It's an all-star lineup, beginning with the 'Song of the Sea' (salmon, Kombucha and Yuzu) and ending off with the belle of the ball 'The Gift of

Quetzalcoatl' (chocolate heaven). From the delicate velvety textures of the salmon, to the local and European cheese selection, to the grand finale; the gift of love, the extra bitter blend of dark chocolate.

Also visit the Tienie Pritchard Museum on site. This is a rare privilege to view the unique pieces by sculptor Tienie Pritchard.
